Jolly Jack Tap.

"Jolly" is the word generally asso-ciated with the jack tar. He is the picture of health, and the health bub-bles over in mirth and merriment. When

people are sick, especially when sickness attacks the stekness attacks the lungs the doctor often advises a sea voyage. But in the large majority of cases the sea voyage

is impossible.

It is to the men and women of the and women of the workaday world to whom sea voyages or change of climate are impossible, that Dr. Pierce's Golden Medical Discovery

comes as the greatest earthly boon.
The effect of this medicine upon those whose lungs are "weak" is re-markable. Even where there is bron-

consumption, "Golden Medical Discovery" in ninety-eight cases out of a hundred works a refrect and permanent ery in muety-eight cases out of a hundred works a perfect and permanent cure. It strengthens the stomach and other organs of digestion and nutrition, so that the body in all its parts is not merely fed but nourished. And it is by nourishment that Nature builds up the body to resist or throw off disease.

Cardui has brought to health. She is one of the social favorites of her home and her recovery to health has permitted her to enjoy the company of her many friends instead of lying on a bed of sickness and suffering. For the health she now enjoys she gives the health she now enjoys she gives trual troubles in an incredibly short time. In a simple case of deranged menses Wine of Cardui never fails. To relieve disordered menses is to remove that to remove that to remove "I have found Wine of Cardui an excel-lent remedy for female trouble. I suffered for three years with terrible bearing-down pains at the menstrual period. I could hardly stand on my feet and was never real well. Wine of Cardui was the only medicine that I could depend on to do me any good, as I tried several with no suc-cess. Wine of Cardui cured me and I

knew her and to know her was to love her. At the last meeting of the Wo-man's Auxiliary to Lee Camp it was decided to place a tablet in the hall to her memory. A committee was appointed by the president, consisting of Mrs. J. E. Alexander, chairmen; Mrs. J. M. Hill and Mrs. W. F. Creighton.

These ladies are auxious to erect this tablet as soon as possible. An Alexandrian in his communication of last month has suggested that those who desire to contribute to this memorial may do so. The committee thanks him for his suggestion and will gladly receive any contributions that her friends desire to make. If there was ever a woman in Alexandria that deserves a monument for her good and noble deeds, she is the one, and a more suitable place could n t be found to erect this tablet than in her own home.
